Beacon Student Success Fellowship Summer 2019

FINANCIAL AID and BURSAR OFFICE CONSIDERATIONS:

☐ Students selected to receive the Beacon Student Success Fellowship award will have their fellowship award credited to their Spring 2019 University account. According to Federal regulations, this fellowship award will be incorporated into the student’s 2018-2019 academic year financial aid package.

☐ The total amount of financial assistance awarded to a student for the Fall 2018, Spring 2019 and Summer 2019 terms may not exceed the student’s financial aid ‘cost of attendance’ for the academic year. Additional costs incurred by the student during their summer experience may be added to the student’s financial aid ‘cost of attendance’ and assist in incorporating the fellowship award into the student’s financial aid package.

☐ Students are encouraged to respond promptly to communications received from the Financial Aid Office to prevent or minimize adjustments to their 2018-2019 academic year financial aid eligibility and to avoid delays in the processing of excess funds.

☐ The Bursar Office will process excess funds only for student’s whose overall University account balance (including Spring 2019 and Summer 2019) is paid in full. The fellowship award will be applied to the student’s outstanding University charges before any excess aid eligibility is processed. This is University policy. The Bursar Office encourages students to set up direct deposit for refunds in WISER Student Self Service for quicker access to their money. Students who have questions regarding their University account or their eligibility for excess funds may contact the Bursar Office by phone at 617-287-5350 or by e-mail at bursar@umb.edu.

☐ Students who need additional funds, beyond their BSSF funding, may inquire with the ONE STOP Student Service Center about additional financing options prior to the end of the Spring semester on May 15, 2019.
